

**ACCRS  
HO Monthly Meeting  
Minutes  
February 13th, 2015**

Meeting brought to order at 8:46pm.

Trainmaster Ed Carreno opened the meeting.

**Minutes**

Ed stated that the previous meetings' minutes are now available on the website. Ed asked members to please review the minutes and we will vote next meeting to approve.

**Goodguys**

Goodguys show for March will happen March 28 and 29. Ed asked all members to look for the signup sheet and signup.

Ed will email that we will do DCC for both days of the show. If any members disapprove, contact him and we will have a meeting later to decide how to change the plan.

**Trolley**

The trolley track is still dirty. Ed stated the track needs to be cleaned. The trolley car is fixed and can be run when the track is clean.

**Scenic Lighting**

Ed's friend that can update the electrical wiring of the lighting system is still recovering. Our new potential member Brenden volunteered to help with the lighting.

**Drive-in Movie**

Nothing new to report for the drive-in movie.

**Brochures**

Nothing new to report for the brochures.

**Cutouts**

Cutout project has no new developments.

**Operations**

Third Friday of last month a meeting "kind of" happened. Attendees came up with a new route. Currently ops is waiting for Dennis to put routes on spreadsheet. Dennis plans to continue developing a plan for operations.

Members discussed the benefit of running on various often disused tracks.

**Procedures**

Ed collected all the files he has for procedures. Ed is now in the process of organizing the files.

**Fair**

The dates of the fair will be 6/17-7/5.

**Andy's Narrow Gauge Update**

Andy discussed his latest ideas. Phase 1 is going to be dual-gauging the interurban. Phase 2 is going to be running spur lines off the interurban. Andy announced prices for project Phase 1. Estimated cost is \$1,950.77, or not-to-exceed \$2,000. Ed asked about a time estimate. Andy has no time estimate at this time. Andy announced that he and his father can work on it, and he is taking volunteers. Ed would like to have Andy send Ed a project plan so we can analyze it as a group.

**Double-Stacks**

Dean sent an email about raising the tunnel portals to accommodate double-stack trains. Members discussed the aesthetics of adding double-stack notches. Ed stated we need a volunteer to put together a project sheet regarding the tunnel adjustments.

Dennis moved to adjourn. Andy K. seconded.

Motion passed and meeting ended at 9:07 pm.

Minutes recorded by Assistant Trainmaster Joel Clark.
