

**ACCRS
HO Monthly Meeting
Minutes
February 3, 2017**

Meeting brought to order at 8:16 pm by Trainmaster Gary Lewis.

Previous Minutes

Minutes from previous meeting approved.

Lockers

Lockers available but not for storage of anything but what is for use at the club.

Thunder Storm Sound & Visual

Gary showed off the Thunder Storm system that had just arrived.

~~Signal Project – Remove this item from the minutes. See correct item below.
No update on new signal project from Jorge.~~

Turnouts Problems Identified.

The turnouts at the following locations are causing derailments;

- Past the new bridge. – Three axle trucks seem to dip and derail.
- Loop 73
- Track 3 inside hidden yard

Gary / Jere volunteered to look at these issues and repair. No date given for when this will happen.

Modification to Road at Oil Dale

Dean didn't have photos for the project. He will bring at the next meeting.

Club Rules

Dean has submitted a draft of club rules. Gary and Jere are reviewing before distributing for comments.

Signal System

Jorg spent most of the meeting demonstrating a potential signal system for the club layout. He had a long section of track that he had added several signals and was showing how the system worked. Very nice if we can put it on some parts of the layout where it is seen by the public.

Wiring DCC around the City

Seems to be problems on the freight line with the track and DCC

Adjourn: Andy move and Jorg seconded. Meeting adjourned at 8:50

Dean Lewis: Acting for Jere Ingram.

HO Scale Rules and Operating Practices.

Dean has developed a draft based on club bylaws. Jere/ Gary agreed to review them. Jere has reviewed and agreed to them. Once approved they need to be reviewed by all members and a copy provided to prospective members.

Layout Equipment

A heads up to all members about HO Scale Equipment on the layout or available for use by members. If you use a piece of equipment that is on the staged portion of the layout....put it back when you are done with it. If you break a piece of lay out equipment take it up stairs and put a note on it about what is wrong.

Motion to end meeting approved.
