Psycho Project

Project on hold.

Artic Refrigeration Sign at Mesa

Dennis indicated that this sign had been moved to Mesa but is not lighted. It can be lighted. No additional information provided at this time.

Main Panel Occupancy Lights Issue.

No update on this project provided.

Gas Station Sign

Dennis indicated that the Gas Station sign in the city is out for repair due to the sound it was making and non-function. He hopes to have it back by fair.

Refinery Repair

During lay out cleaning the pull out portion of the refinery was accidentally dropped. Dennis has been working diligently to repair it. It was put back into place at the meeting. Unclear if the lights still work.

Random Comments

Tony asked that folks watch eating at the central panel since they sometimes are called upon to correct trains on the lay out and dirty fingers leave marks on trains.

Peter suggested that if you do not have a cleaning car on your train you should not run a train. He also stated that if you do not sign up for a slot on the sheets posted in the office prior to an event you should not be permitted to run.

Dennis reminded folks that metal wheels on cars are a requirement.

Motion to end meeting approved. Meeting ended 8:40 PM. Minutes recorded by Assistant Trainmaster Jere Ingram. (upwpfan@comcast.net)
