- **Complaint:** Someone hollered at a kid that was attempting to mess with the layout. Please don't holler at kids. The parent was real unhappy and complained.
- **Good Guys:** August 26, 27 and 28.
- **BBQ:** Ed Carreno will again be doing the cooking, etc..
- **Kid and Fair:** Some kid knows all about the club and talks to the public while he is visiting the club. He is about 16-17.
- **Comments from Member's Wife:** Andy Kelsey's wife, Megan, addressed our membership. She had many good ideas for how we could get the kids more involved and make their visit, to the club, more interesting. Souvenirs, some type of raffle, etc. Scavenger hunt for items on the layout with some sort of prize like a train hat, etc. Things we can consider for the next Fair. Also that we need to wear our vests and/or train hats so public can identify who is on duty.
- **Wives:** Wives are always welcome at our events. Bring them to the BBQ.
- **New Members:** Chad and Jorg Linke voted in as new HO members.
- **Adjourn:** Shawn moved and Dick second that we adjourn. Motion passed at 9:00.
