

# ACCRS General Meeting, January 5, 2018

President Gary Lewis brought the meeting to order at 8:03pm

## Club Business:

- **Minutes:** November minutes voted on and approved (Jere moved, ??? seconded)
- **Treasures Report:** Dennis gave a report of funds he would be turning over to new Treasurer John Kolberg. He was still only a couple of dollars away from total balance between bank and his books. Total funds are \$46,533.57. Dick moved and it was seconded to accept the report.
- **Dues: Dues are due and need to be in by the start of the business meeting in March.**
- **Good Guys:** Our next show will be the Good Guys in March.
- **New Members for 2018:** Robert Lopez and Mike Garrigan were presented as new members (by Dick Stark) and had served their probation period. Both are active in other clubs, primarily the Crockett club. Members voted them in. Welcome the new members.
- **Equipment Discussions:** Discussions on heaters, swap coolers, exhaust fan, etc. O-Scale recently changed out all their halogen bulbs with LED equivalent types. HO should consider doing the same. Certainly would make it cooler in the summer. Are there any types of heaters that can heat from the floor level instead of overhead???
- **Adjourn:** Dean moved and Dick seconded to adjourn. Motion passed at 8:20.

Dean Lewis  
Secretary
