Long discussions on what will happen to our building.
3-5 years is the time line. Could be 10 years.
Fair doesn't understand that we have value to Fair. They want us out.
We spent time talking about Livermore "rant and raves" that some posted that we were leaving the fair.
How can we change the Fair concept and get support.
 1. Social media.
 2. Publicity in news papers
 3. Continue to engage the Fair. Get on the questionnaire they are paring for the fair.
 4. John Abatacola of TSC Multimedia might do a video of our club as he has done other clubs.

We need new brochures for the fair. Good story for the papers. Clean up the layout. Etc.
- **Adjourn:** Motion to adjourn at 9:20. Motion passed.
