

Announcing BAPM 2018 - The San Francisco Bay Area Prototype Modelers Meet

Saturday, June 16, 2018

Join us for the 15th Annual Bay Area Prototype Modelers Meet! Fifteen Years of Modeling Fun! Come and see Great Models, Clinics, Presentations, Manufacturer Displays, Vendors, and great raffle prizes!

Bring your models, finished or, better yet, still in progress! We supply the tables (free)! no reservations needed!

Bring your friends!

There is no judging or contest.

Instead, RR prototype modeling events provide an opportunity to meet with fellow modelers, discuss tips and learn new techniques, and of course enjoy viewing lots of superb models!

No Memberships exist, This is not a club! Just bring yourself, and maybe a few models to show off (just like a hot rod show, except these (RR) cars are a little smaller!)

All scales, eras, and roads are welcome!

BRING YOUR MODELS!!

Bring your Friends too!

The more models, the better the meet!

Just \$15 to get in!

aaand.. there's MORE! - Slideshows, Clinics and Awesome Raffle Prizes!

Clinics & Presentations include:

- **Tips and Techniques for Tsunami Decoders** - George Bogatiuk, Soundtraxx
- **Incentive Per-Diem Boxcars of the 1970s and 1980s** - Rick Selby
- **Great Northern Boxcars - Prototype and Modeling** - Tom Bacarella
