Show lights need some work and it was suggested to get Joel to work on them.

Good Guys show will be on March 26 and 27 of 2022.

Tower Room needs cleaned up. It is full of junk.

Harlin Tilman and Jordan Hamilton were voted in as new members.

Dean Lewis had a discussion about club members getting vests. There is a shop in Fremont that will embroider you name on the front and ACCRS on the back for \$20.00 A "FAME" vest cost less than \$20.00 from the internet. Burgundy is a good color if we standardize, but Navy and other colors are available. Burgundy stounds out well. Patches for different railroads can be found on eBay. Dean will bring samples. He had his personal vest to show. He said he found it very helpful at the last show where people could identify that he as a club member, could use his name and it created a good connection with the visitor while answering questions or just general discussion
