### **ACCRS Secretary Report – General meeting 10/7/2022**

**President Gary Lewis brought the meeting to order at 8:00pm.**

**John Kolberg was first up and gave the September 2022 Treasurer's Report. Combined HO and O-Scale have a total of \$49,315.89 in the bank. That is made up of HO @ \$37,348.39, O-Scale @ \$11,117.72 and General @ \$849.74.**

**It was move by Jim Hague and seconded by Harlen Tillman**

**Next was mentioned that dues are due. \$24.00 per year. If you are over 65, you can elect to pay \$18.00 if you wish. (editorial comment – if over 65, you are the ones that have more money so if you can, pay the \$24.00)**

**This is the time of year we elect new officers. The current officers indicated that they would continue in their current positions, unless anyone wanted to run and take over their position. Seeing no one was interested, the current officers will stay for the next year.**

**Next up was the discussion on the next Good Guys show on 11/12 and 11/13. Sign-up sheets will be available to work the two shifts each day. We are on Facebook with 780 followers, Instagram with 138 followers and we also have a website out there that needs some updating. Discussion regarding Groups IO.**

**Jim Hague moved and Phil Edholm seconded that we adjourn. Motion passed at 8:45pm**
